A TEAM PLAYER

I attend a division 1 state university with a full football scholarship. During the off-season, the coach recommended we take dance classes to maintain our stamina. I was the only one who took him seriously. Besides, I would be in a class filled with coeds in tight leotards. I met Becky in the first class I took. She stood out from the rest of the girls in the class. She walked into the class with a tight bodysuit that defined every inch of her petite, hot body. She has flat, firm abs, a perfect round ass, and a pair of perky grapefruit-sized titties which jiggled with every move she made. Becky took a good look at me, too, as she positioned herself right in front of me. I had to chomp at the bit to avoid getting a hard-on during the warm up exercises. I mean, the only thing covering her perfect ass was a tiny thong and a diaphanous nylon.

We always talked a lot after class. She knew who I was from the football team and within a few weeks, she invited me back to her apartment. Becky offered me a glass of wine and some cheese, which we enjoyed for about an hour. She smiled and told me, "I am glad to see someone like you join the class. It makes it much more interesting." "Actually, you make the class more interesting and well worth attending," I stuttered. She winked at me and smiled. "What do you think makes the class more interesting? Is it my ass?" She paused a moment. "Don't you think it's warm in here?"

She stood up and slowly peeled off her sweats, exposing her skimpy dance togs. She turned and bent over, practically plastering her tight, perfect globes in my face. My cock was swelling to immense proportions putting stress on my jock. Becky turned, faced me, and slowly pulled down her top exposing her perfectly round firm C-cups. "Or is it my breasts?" I finally could not fight the irresistible throbbing of my

cock. Becky stood in front of me playing with her scrumptious tits. Her nipples were as hard as little rocks and stood out like pencil erasers.

My cock then leaped out of the side of my jock. I squeezed it and told her that I could not decide. "Then let your gorgeous cock decide for you," she softly uttered. She passionately licked her pout as she leaned into me and started kissing my lips. She pulled my sweats down, removing my jock, and exposed eight inches of pulsating glory. "I guess I'm going out for a long one, Mister quarterback," she uttered. Without a moment's notice, she was on her knees running her tongue up and down my shaft, wrapping it around my head on every upward motion. I reached over and began caressing her firm melons. Becky was so into it; she began earnestly mouth-fucking my powerful prick, keeping her tongue in perfect rhythm the entire time. She knew just what to do. I swear she could suck chrome off a bumper. My breathing became short

LUCKY TRIO

THEY HIT THE HAPPY HOUR JACKPOT PERFORMING FOR A KINKY BENEFACTOR!

It had been a disappointing happy hour as Sandra, Sophie, and Sunny—three office workers—were about to call it a night. Then, Mr. Klinger showed up—The very legendary Mr. Klinger! He was an elderly, eccentric billionaire who had been coming by this particular bar for several years, and would treat girls he fancied to a terrific steak dinner if they would come back to his big apartment and give him a sexy show.

Since Sandra, Sophie, and Sunny were in the mood for sirloin, they decided to make their move. It wasn't like they had to have sex with Mr. Klinger. The bar's female regulars knew that all he did was sit off well to the side in deep shadow, and watch voyeur-style while stroking his golden ticket.

When the girls were done with their steaks, he took them to his luxurious condo. He explained how he enjoyed watching lusty girls in the sedate setting of his personal library, as if all the great authors of history were also there to witness the performance. Well, for what Mr. Klinger had paid for those steaks, he was entitled to a command performance! The spry gent sat off to the side, beaming as he worked his pink

cock. He didn't direct the action; he simply appreciated it. Soon, the girls got absorbed in the enjoyment of their bodies. Yet, still cognizant of the codger, they didn't forget to occasionally pose themselves attractively for his benefit—splaying apart their soft moist slits so he could stare—googly-eyed—at the intrusion of their probing fingers and the flowing of their girtie juices!

On the limo ride home, the ladies were sleepy, satisfied, and they all deeply hoped that Mr. Klinger would pick them again soon for a show. Sirloin and sapphism made a damn good combination! ♦

Alektra Blue and Jessica Drake Featured in Lady Gaga/ Beyonce Video

When the Lady Gaga video for her hit single, "Telephone" featuring Beyonce premiered, the nine-and-a-half-minute short featured a number of surprise cameos from stars from both the mainstream and adult entertainment worlds.

The XXX biz was represented in the "Prison For Bitches" segment of the video with appearances by Wicked contract stars, Jessica Drake and Alektra Blue.

The video was directed by Jonas Akerlund, who has also worked on music video projects with U2, Metallica, Madonna and Blink 182.

"When I auditioned for the Lady Gaga / Beyonce video, I was nervous, but really excited," Drake told the Adult Video News. "As I got the callback, my excitement grew. While on the set, the entire experience was just so surreal to me. Being around Lady Gaga all day and watching her rehearse, sing, dance and create her own special kind of monster magic was one of the greatest things I've ever done. I'm delighted I made the final cut, and the only thing better than that is the fact that I got to share the experience with Alektra Blue. I'm really proud of us and I give my sincere thanks to Jonas Akerlund for selecting us, and to Wicked for the amazing opportunity."

"I can't believe we made the final cut," Alektra Blue added. "This was really a groundbreaking project, and it was great to be a part of its history."

Tristan Taormino's, *Rough Sex*, from Vivid Entertainment was recognized with the Adult Industry Showcase Award at the seventh annual CineKink Film Festival held in New York City.

Excerpts from *Rough Sex* were screened in a showcase of adult industry films titled, "Bring It!"

2 GTS: 2 Girls Teach Sex-The Ultimate In Sex Education

Adult industry sex goddesses, Shawna Lenee and Tori Black are thrilled to introduce their latest project: *2GTS: 2 Girls Teach Sex*—the ultimate training tool in sex education for both men and women.

"Bisexual women have an unfair advantage over men when it comes to giving female pleasure," says Shawna. "For a bisexual woman, [she] knows where she wants to be touched, how she wants to be touched and how other women do, too. But, she also knows what men are capable of, and the best techniques a man can use to please a woman. After hearing many unhappy women ask us for advice, Tori and I came together to provide education—or a refresher course—in order to enhance sexual pleasure for all."

In a first of its kind, *2 GTS* is available as a 5-title DVD-packaged series. There is full nudity as well as fully explicit demonstrations of advanced sexual techniques, diagrams and split screen close-ups used as teaching tools.

Shawna and Tori have recruited additional sex coaches to join them on this unique DVD series. Each DVD topic pairs a variety of coaches together to truly showcase tricks of the trade to create the ultimate experience for every lover.

"You are about to learn the secrets 99 percent of guys will never know about giving girls unforgettable, toe-curling orgasms," says Shawna. "These

DVDs provide an arsenal of techniques for reaching the strongest orgasms, building confidence to become the best lover, and getting more sex than ever in your relationship."

Sunset Thomas Shines On CD Cover

Adult industry superstar, Sunset Thomas, has done it again as the "Queen of Crossover" graces the cover of the latest LP release by The Spectacles titled, *Re-Spectacled*.

The Spectacles were a mainstay of the San Francisco-famed, Mabuhay Gardens. The band opened for Los Lobos, Red Hot Chili Peppers, The Lewd and many other bands from the golden era of punk rock. Rave Up Records—a company based in Rome, which still presses vinyl—has released a record of previously recorded tracks from the San Franciscan Art Punk rockers.

Iconic pop artist, Winston Smith (who designed the Dead Kennedy's DK logo and the album *In God We Trust, Inc.* as well as the cover of Green Day's *Insomniac* album, two *New Yorker* magazine covers and whose work has appeared in *Playboy*, *Spin* and *Atlantic Monthly*), created the cover for the band's LP, using both Sunset and the Golden Gate Bridge as center pieces!

"Sunset and San Francisco go hand in hand," The artist commented. "She was a mere babe when these tracks were recorded, but she's associated with the band and very much a piece of San Francisco lore—I felt it only fitting that she become a 'Re-Spectacled' piece of art!"

World's #1 Rated Web Starlet, Madelyn Marie, Signs To Bluebird Films

It's Official! Bluebird has signed U.S. superstar, Madelyn Marie, to an exclusive contract.

"There was a lot of competition to get me under contract," Madelyn said of the signing. "But, I went with Bluebird because they have the best platform for talent development. With them, I get the opportunity to work around the world at their USA, UK and Prague studios. What finally swung me was playing 'Catwoman' in their Premiere label movie, *Batfucks*. When you see the budget, style, acting and directing talent in that movie, you know you're in a different league. Even in between takes, people were Twittering about the costumes and the set. I also wanted more opportunities to play alongside Paul Chaplin. Apart from being the studio owner and producer for Bluebird, he's the most amazing actor I have ever seen. When you see how he plays 'The Joker' in *Batfucks*, you'll know what I mean."

Nicholas Steele, CEO of Bluebird USA said, "We're privileged to have a star of Madelyn Marie's beauty, grace and talent join us. She's an amazing performer on the set and she has a great rapport with the fans off set. We'll be building a lot of movies around her this year and we're sure she'll stay at number one for a long time."

Registered Trademark Gives X-Play Sole Usage of the Word "Not" for Adult Movies

After nearly two years of attempts, X-Play has finally been granted a trademark with the United States Patent and Trademark Office for usage of the word "Not" in an adult movie title.

With high profile movies such as *Not the Bradys XXX*, *Not Bewitched XXX*, *Not the Cosbys XXX*, *Not Married with Children XXX*, *Not Airplane XXX: Flight Attendants*, and many others that have become franchise type properties, the Registered Trademark supplies protection from other companies wishing to capitalize on the good name that X-Play has created with their *Not XXX* series of best-selling porn.

"We had to gently ask companies over the past year or so not to use the word 'Not' in their adult movie titles and a few companies agreed and changed their titles particularly those in the parody arena," stated Jeff Mullen president of X-Play.

"However, with the proliferation and popularity of the porn parody by so many companies, it became more important than ever to protect our *Not XXX* brand, and we now have legal rights to keep others from using the word 'Not' especially at the beginning of their movie title," Mullen who directs using the name Will Ryder continued.

Movies trailers for all **X-Play** movies can be seen at www.sitcums.com

and spasmodic as I was on the cusp blowing a hot, steamy load into her mouth when she backed off and wrapped her firm, soft breasts around my throbbing member. I died and went to heaven as she motioned her luscious mams up and down my dick. After a few minutes, I pulled her onto her feet, removing her bodysuit and thong. I slid under her and began licking the creamy ooze that flowed from her perfectly shaved kitty.

Before I knew it, I was on my back. She had one leg up and her twat wide open, pressing it on my face. She was so wet; I could not lap it up fast enough. Becky's pussy was the sweetest thing I ever tasted. I swirled my tongue around her creamy slit, then rocketing it deep into her dark, wet cave. Her clit was throbbing like a honeybee as I licked and tapped it with my tongue. Her knees gave out as she collapsed onto my face. "Ohhhh my god, huh huh huh!" She shrieked. Her whole body quivered with an explosive orgasm as her burning pussy spewed a river of hot, creamy sauce onto my face. Still panting and fully lubed, Becky slid her way down my torso to impale her tight snatch on my aching cock. She rode me hard and deep like she needed it more than anything else in the world.

I pumped powerful strokes deep in her snug, little twat. She grabbed both my hands, fully extending our arms over my head. Becky's impeccable tits were joyfully bouncing off my face. I scooped one of her soft, fleshy mounds in my hand and squeezed it while sucking her thick, swollen nubs. Her eyes rolled back into her head as she came with a series of breathy squeals. Her pussy was so hot inside as the gripping jaws of her cunt contracted, locking the entire length of my cock deep inside. I was right on the edge with her and the timing was perfect. I wrapped my arms around her firm ass as I spewed jolt after jolt of my thick hot lava into her succulent love cave. She loosened her grip, allowing my cock to breathe. After a moment of rest, I joined Becky in the shower as we soaped each other up. The soft, gentle touch of her soapy wet hands started waking up my tired dick. I was soon ready for round two.

The one thing I learned from my experience with Becky is to always listen to your coach—especially if it means joining a dance class. He definitely knows what's best for the athlete.

FILL ME UP AND CHECK THE LUBE

For the last six months, I never have to pay a dime to have my car serviced at the local garage near my house. It's a family business owned by a father and his sons, Al, Ron, Jeff, and Mike. The boys took over the place after the father retired. Last August, my car started making a harsh rattle

noise, so I brought it in to be looked at. I was a little surprised when Al told me that I needed \$1,500 in engine work. I told him okay, but I knew I could never pay that much money at one time. It would take a week to do the job, which gave me time to think of a way to pay for the repairs.

That night, my girlfriend came over and somehow we always end up talking about our sexual fantasies. By nature, I am a conservative gal. But, like everyone else I do have fantasies, something I know I would never do. I mean, if guys can

have fantasies, so can girls. My particular fantasy is to be in a gang bang. When I told my girlfriend about my car trouble, she suggested, "Jackie, I know this sounds crazy, but, why don't you barter with the garage for the repair job?" "I could never do something like that and screw four guys!" I said. "This would be a great opportunity to get your car fixed and fulfill your fantasy." Over the next few days, I reluctantly thought about it. I was no closer to being able to pay for the repairs, so I figured why not? I was desperate and needed my car.

The next day, Ron called me and said the car was ready. I explained my financial situation to him and asked if he had any suggestions. He asked me what I had in mind. I told him about my fantasy and said the only other

THE UNUSUAL MARRIAGE OF GRACE AND CARL!

27012

When Grace and Carl got married, they had two ceremonies. There was, of course, the legal one in front of their families—wherein they presented a conventional front for the sake of propriety, and during which they promised each other all the standard things before the community. Then, there was the celebration they had in secret—just between themselves by candlelight in the cellar of Carl's house where they stood naked and barefoot on the cold, stone floor. For this particular ceremony, Grace promised her total obedience to Carl's sexual whims. The stark reality was that she hadn't just married a hus-

band—but her erotic god. “Yes,” Grace said, “I pledge that I will wear the kind of trashy, long eyelashes you like me in—especially when I’m giving head. I promise to have and to hold your friends’ cocks as well as yours—’til death do us part!”

Carl’s old school chum, Bruno, was one recipient of Grace’s obedience. The couple had him over when they returned from their honeymoon—a busy time in which Grace, under the guidance of Carl, had taken on the cocks of several studly denizens of the tropical island resort where they were staying. Back home, Carl soon got Grace to act as the filling in a sandwich between he and Bruno.

She soon found herself in a befuddling whirl—sucking one man’s balls while the other’s shaft filled her pussy deeply. This was what Grace liked about such wild sex with different partners: The feeling that everything turned into a blur—that she stopped being sure whose meat she was throating, and whose shaft she was riding. It wasn’t just Carl who was benefitting from this unique marital arrangement, it was Grace, whose supreme turn-on was feeling confused when she didn’t know one cock from the other! ♡

ASS FOR DAYS 8

Starring: Emma Heart, Carmella Bing, Ashli Orion, Miley Ann, Avy Scott, Alex Gonz, Pay Myne, Jenner, John Strong, David Perry
Directed By: Gregg Alan
Available From: Diabolic

Director, Gregg Alan, captures the beauty of the big booty by casting girls whose asses are just as impressive as their respective fuck skills, in the eighth installment of this well-done series.

Who better to start the show than Avy Scott? Definitely not a stranger to the art of ass, Avy begins her play slowly with a solo masturbation session that has her plugging her holes with fingers before David Perry switches

them out for something meatier. Together they fuck like bunnies, with David pushing Avy to near breaking point when fucking her silly across a bed. It's a great start!

Coverbabe, Emma Heart, not only looks incredible on the boxcover, but does her part to continue the show by taking on two cocks at once. With an ass that is just as round as her store-bought tits, Emma gives the standout performance, reaching unbelievable heights with a hot DP session.

Also quite tasty is Ashli Orion. Although her bee-stung titties haven't yet blossomed, her perky ass is fucking incredible! Even better is the way she spreads open to take cock in doggie position.

Coming in a close second is Carmella Bing. She delivers the best solo play and teases the hell out of Alex Gonz's cock before slipping his pecker inside her pucker.

Miley Ann is also fantastic, and is a good one to keep on our porno radar.

Extras: As can be expected, Diabolic pulls out all the punches to deliver a bank of beautifully shot, hardcore images in their gallery section. The cumshot recap option is also quite strong, while the BTS coverage is definitely worth a peek. Not stellar extras, but certainly advisable.

FRIENDS DON'T LET FRIENDS FUCK ALONE 2

Starring: Joanna Angel, MistiDawn, Jessie Lee, Draven, Bella Vendetta, Violet Monroe, Skin, HollyD, Andy San Dimas, James Deen, Sean Michaels, Mick Blue, Joey Brass, Mr. Pete
Directed By: Joanna Angel

Available from: BurningAngel Entertainment

In an effort to share the love, Joanna Angel and friends team up to ensure that nobody fucks alone. The result is another BurningAngel firestorm that perfectly blends punk rock chicks with hardcore sex.

Infectious from the start, Joanna leads the pack by treating Violet Monroe to a fabulous four-way fuck session to celebrate her birthday.

The action really turns live once both girls take Sean Michaels and James Deen up their pussies and assholes for a true birthday surprise.

Andy San Dimas—a girl worth taking notice of—really steps it up when she takes on Mick Blue and Joey Brass. With a beautiful body that obviously responds well to touch, Andy blows both cocks like a pro and looks great while giving up gobs of gash.

James Deen has another go around when he gets face stuck between the thighs of Draven. He warms her up with some sound cock plugging before introducing Bella Vendetta to the mix. He later stacks the girls and bounces from one pussy to the next.

Although Joanna is usually seen tangling with boys, here she treats her fans to a hot lesbian tryst that has her sandwiched between tattooed sluts, Skin and HollyD. With soggy pussies and happy faces, this scene delivers.

Finally, Mr. Pete closes the show by taking complete ownership of MistiDawn and Jessie Lee's holes. Yeah, it's hot!

★★★★★

Extras: A great look behind the scenes really adds to the feel and playfulness of the production. When this is mixed in with a solid array of production images that really capture the best of the best and trailers for upcoming attractions—Joanna Angel fans can be assured they will be taken care of.

NATURALLY EXPOSED 9

Starring: Kelly Madison, Sienna West, Ryan Madison

Directed By: Kelly Madison

Available From: Kelly Madison Productions

Kelly Madison and her 34FF natural tits do their best to keep you drained and entertained in a top-heavy release that boasts ten short scenes for your viewing pleasure. With loads of kitschy scenarios and skimpy outfits, Kelly fans might get what they crave despite the mediocre camerawork and subpar lighting.

Dressed as the porno version of Elmer Fudd, Kelly goes out hunting for wascally wabbits and ends up catching Ryan Madison. Once shed of

his ridiculous bunny costume, Ryan treats Kelly to some hard cock in a POV-inspired scene that has her covered in cum upon its completion.

Later, Kelly treats he fans to several little solo masturbation encounters. While she dresses up nicely for each, there is no real production value to speak of. Most of what's featured looks as good as any home movie that can be shot on grandma's camcorder.

A few more POV-style scenes are presented. This time, however, they do a better job at highlighting her incredible tits when the camera is sure to capture her bouncing boobs in action.

Another ridiculous scenario has Kelly dressed up as Maid Marion. Although the cos-

turns are laughable, the sex between she and Ryan is exceptionally hot.

Also good is when she pairs up with Sienna West in the end to deliver the best scene of the production. Finally, we have something to work with. ★★

Extras: Watching Kelly, Ryan, and Sienna travel the streets of Cabo San Lucas, Mexico, are somewhat entertaining. The shaky camerawork, however, will leave you dizzy and nauseous instead of horny and turned on. The photo gallery saves the day and is quite redeeming by offering several choice images, while the trailers for future attractions look sexy and fun. ★★

TWISTED PASSIONS 6

Starring: Samantha Ryan, Allie Haze, Abbey Brooks, Ruby Knox, Isis Taylor, RayVeness

Directed By: Dan O'Connell

Available From: Girlfriends Films

Concocting a beautiful web of sex and passion is nicely crafted in this tantalizing new installment. In addition to gorgeous, natural girls, fans of this genre can look forward to fabulous female pairings and the type of realistic lesbian sex that happens behind closed doors.

The movie opens with Samantha Ryan giving Allie Haze a piano lesson. In an effort to have Allie "Feel the music," Samantha blind-

folds her. This session quickly turns quite physical as fingers find their way up available holes and their naked pussies churn together until the velvety cunt butter spills.

Wanting to introduce Isis Taylor to Samantha's personal lessons, Allie brings Isis home for lessons. What ensues is a hot lesbian triangle that has Isis and Allie going at it in the sixty-nine position. Samantha sits on the sidelines spitting out sexual instructions while finger banging her hairless hole to pop. Hot!

RayVeness, a student's mother, hears of Samantha's unique service and is quick to call her over. After both playfully feed each other spaghetti, RayVeness places Samantha on the

kitchen counter. She licks her pussy and fills her clam with ice cubes that she later sucks out!

The movie ends with Abbey Brooks giving Ruby Knox a private lesson in love that she won't soon be forgetting. All this helps to make this a solid pick for fans of girl on girl action.

★★★★★

Extras: Although usually light on the extras, Girlfriends steps it up to include special footage of Samantha Ryan playing the piano and a funny blooper reel that catches all the flubs. The photo gallery is also decent, while the eight featured trailers pack enough punch to have you begging for more.

★★★

YO' MAMA'S A FREAK 5

Starring: Julia Ann, Janet Mason, Vannah Sterling, Mellanie Monroe, Brittany Blaze, J. Strokes, Prince Yahshua, Cuntre Pipes, Wesley Pipes, Nat Turnher

Directed By: Dawayne Dane

Available From: Black Ice

With solid lighting techniques and impressive camerawork, director, Dawayne Dane, assembles top-notch MILFs. Combined, this intense interracial release explodes by pinning sexy seasoned players against big, black cocks that are ready to get down and dirty.

The movie opens with Janet Mason inspecting a room full of potential pricks. After careful inspection, she goes for Cuntre Pipes. These

two waste no time, with Cuntre bending Janet over the sofa to plug her sweet ass up in doggie and cowgirl. Incredible!

The games continue on when Brittany Blaze is faced with the same choice. Eventually, she settles on Wesley Pipes and treats him to a sloppy sweet blowjob and a double helping of her pussy and ass. What a nasty girl!

Later, Julia Ann is rewarded with some afternoon delight when she orders Prince Yahshua's services online, in what ends up being the hottest presented scene. Once in the door, she delivers an award worthy blowjob and enough soggy pussy to keep us dripping wet as a result.

Face to face with the black dicks, Mellanie Monroe goes straight for Nat Turnher. She leads

him into a living room and tries her best to shove him to the back of her throat. She eventually succeeds quickly, although her fantastic pussy play is far better.

Vannah Sterling ends the show with J. Strokes. Here, she fucks him across her desk and savors his chocolate milk finish! ★★

Extras: Black Ice turns up the heat by offering a stellar photo gallery spread that's set to interesting music. This is followed by solid cumshot recap coverage that highlights all the thrills and gooey spills, just in case you missed it the first time around. Also good is the BTS coverage, which shows the sexy girls at work and at play. It's a good time, so check it out.

★★★

YOU, ME & HER

Starring: Tori Black, Ann Marie Rios, Holly Sampson, Brooke Belle, Diana Doll, Asa Akira, Aletta Ocean, Jessica Bangkok, Mick Blue, Manuel Ferrara, James Deen, David Perry

Directed By: Mick Blue

Available From: Zero Tolerance

Mastering the art of menage a trois, Mick Blue does double duty by taking on the role of performer and director with this stellar production that is full of celebrated studs and starlets.

Euro goddess, Aletta Ocean, begins in a dominatrix-inspired scene when she takes on Mick Blue and Davis Perry. Although she pays special attention to each man individually, her

best work is actualized when she takes on both men at the same time. The results are out of this world!

Not only do covergirls, Tori Black and Ann Marie Rios, look amazing on the box, but they do an even better job when they team up to take down Manuel Ferrara. With chemistry popping from every pore, this pairing can't be beat. They reach seismic proportions when Manuel starts stretching out both pussies and makes them play in his cum splash finish.

Without skipping a beat, Asa Akira and Jessica Bangkok continue strong by playing with each other before switching their attention to Mick Blue. He knows exactly what to do with these saucy wantons and does his part to

westernize their Asian ways by having them ride his cock like American cowgirls. Yeehaw!

Blonde bombshell Diana Doll also looks great when shoving her feet into Brooke Belle's beaver. Although sexy, Holly Sampson takes a lickin' and keeps on tickin' in the hottest scene by jockeying two cocks at once.

★★★★★

Extras: The party continues strong with juicy extras that take you on an extensive tour behind the scenes to show the girls goofing around. After that, be sure to save room for the display of hardcore images and the cumshot recap option that proves to be just as good the second time around.

FEATURE

WE ASKED THE TOP SEX STARS: **WHAT DID YOU DO** **BEFORE PORN?**

Porn stars live their lives at full speed—heavy on the throttle with no time to slow down and check out the scenery. But, their lives weren't always lived at such breakneck speed. Rarely do the women of porn get the chance to look back at the road that brought them to their current state. This month, we delve deeper into their lives with two probing questions: "What was the first fuck flick you ever saw, and what was your very first job?" Find out if there are any correlations between their first jobs and their current occupation? After all, who would want to be a diner hostess when you can suck big cocks for a living? You be the judge.

*Renee
Perez*

First Job:

Sunny Lane: Ice skating coach and professional ice skater. I also owned my own yoga and pilates center. Gianna Lynn: File clerk in a dental office.

Sadie West: I was a gymnastics coach for pre-school kids.

Madison Young: Landscaping for my family's tree care service. That's where I got my name Madison. I won't give away the name, but it is in Ohio.

Kayden Kross: I was the drive-thru girl at McDonald's.

Jesse Jane: Hooters Girl.

Renee Perez: My parents own an auto detail shop, so my first job was detailing cars. After that, I worked at a Hallmark Store and I also did granite and tile installation. I also worked for a few restaurants.

Nautica Thorn: I was a promotion and marketing person for a record company when I was 14. I had a very good friend who owned a record label in Hawaii and he basically took me under his wing. I wanted to work and actually learn something and didn't want to go get a job at McDonald's. It was a great run. I actually did it throughout the time I lived in Hawaii, and once I moved to California, I obviously couldn't work for him anymore.

Jessica Drake: I was a tortilla maker and a hostess at a Mexican restaurant when I was 14. My mother changed my birth certificate to say I was 16. She made a photocopy of it so I could get a job. They ended up putting me on graveyard shift and they thought I was 17 at the time, and I was only 15. I started working long nights for them and they made me assistant manager. (laughs)

Sasha Grey: Cashier at a fast food restaurant.

Kirsten Price: I worked as an assistant at a hair salon.

Carmen Luvana: At age of 14, I had a part-time job. I worked at The Association of Cancer just helping out with files as a file clerk. After that, I worked at Baskin Robbins.

Bree Olson: Detasseling corn. You pull the tops of corn stalks off to help the male corn fertilize the female corn. It helps them germinate. I did that when I was 12.

Courtney Cummmz: I worked at Applebees as a server.

Tera Patrick: I worked at my dad's winery.

Roxy Reynolds: I worked at a nursing home. I worked in dietary [and] I actually fed them. I really loved that job. I got attached to them. I like to be around elderly people. You can learn a lot from them.

Roxy Jezel: Waitress at a pie and mash shop. It is typical English food.

Joanna Angel: I worked at a fast food restaurant as a cash register girl in high school. I had to fry the chicken. It turned me into a vegetarian at a very young age.

First Porn:

Sadie West: Oh my God! My friend's dad had a drawer full of videos. We just pulled out all [of] them and they were all from the '70's, so I am not sure which was the first one.

Madison Young: I was more of a magazine girl for a long time. Can I say the first pornographic material I jacked off to? That would be *Cat Woman Comics*.

Kayden Kross: It was one of my own. It was *Kayden's First Time*. The first thing I saw was actually live and it was Penny Flame's scene who was [in] the scene before me. I showed up and was not sure what to do, so I went upstairs and watched her scene and then went downstairs to do mine. So, when it came out, I wanted to see how I did compared to her.

Renee Perez: I don't remember the name, but I do remember it was a squirting DVD.

Nautica Thorn: I don't remember the title of it, but I do know it had Asia Carrera in it.

Jessica Drake: *House of Dreams* directed by Andrew Blake and starring Ashlyn Gere. When I saw it I said, 'I want to do

that. I want to be the chick. I want to try that.' I never thought I would but that was my initial impression.

Sasha Grey: I don't remember what it was called, but I stole it from my dad. It was some shit from the 1980's. It was really bad.

Kirsten Price: I am not sure. It was something that had Peter North in it.

Carmen Luvana: That's hard because I always used to watch the Spice Channel when I was young. I used to just masturbate to it but I never paid attention to the titles or anything. Wow, I watched a lot of movies but they were always on Spice and Playboy and I never knew the names.

Bree Olson: It was one of those 'Skinemax' ones. Actually, I was sitting with my parents and I don't think they realized that a sex scene was coming up. They kind of looked at each other and then looked at me then told me to go to my room. They didn't say anything for the first five minutes of this scene and I was surprised. I was just sitting there with my mouth open and then I had to go to my room. After that, I started tuning into that channel all the time.

Courtney Cummz: I'm not sure. Probably something on late-night HBO.

Jesse Jane: Something with Traci Lords in it. It was one of her legal ones.

Sunny Lane: I don't remember the name, but I do know it

**Tera
Patrick**

**Kayden
Kross**

had Ron Jeremy in it.

Tera Patrick: I don't remember the name of it, but I do know it had Tom Byron and PJ Sparxx in it.

Roxy Reynolds: I never really watched porn movies. I never really have. No one knows this but I will tell you: When I was younger and living with my mother, I was playing in the living room and something fell behind the tv. I think it was one of my Barbie dolls or something. One of my girlfriends was over at the house and we were playing Barbies. I was a tomboy growing up, so instead of having tea parties with the Barbies, we would make the Barbies fight. I think I kicked her Barbie behind the tv and when I went back there, I found a

blue and yellow VHS tape. I had never seen it before and I thought it was Superman or something. We put it in and it was porn.

Roxy Jezel: Oh my God. It was Animal Farm. It's a European thing.

Joanna Angel: I think the first one I ever watched I was in sixth grade with this guy and he found some Penthouse porno thing that was in his dad's room. We watched it for a couple of minutes and I was shocked and then said, 'I feel funny.' First porn I ever masturbated to was a Jules Jordan *Flesh Hunter* porn. It was either *Flesh Hunter* #3 or number four. I masturbated to it so many times. I think Jules Jordan has the best porn to masturbate to. ♡

THE BIMBO MAKER

Turns ladies into
cocksucking putty

27010

Many a woman has encountered Frank and felt resistance to his charms. Like Isabel here, they couldn't put their fingers on exactly what it was that made them standoffish to him at first. Frank had the looks, the patter, the wheels, and the connections to make their times with him fun and rewarding.

So, what was it that made Isabel hesitate before she went further than a goodnight kiss?

Well, women have a sixth sense when it comes to guys like Frank, because he's king at making them succumb to their internal submissive structures. Ladies, not so strangely, lean toward the ladylike, and they subconsciously pick up in the gleam of his eyes that once they yield to his power, they're going to act like any-

thing but ladies. After their first full session with Frank, they're going to recognize their inner selves clearly on their faces—the women's deep, previously hidden, slutty natures.

Yes, once Isabel let Frank rub her pussy, she was putty in his hands. His confident expression of mastery over her sopping pubes excited her and quickly made her want to suck his cock—deep and long. Isabel had never heard herself blow a dick with so much lust and noise as when she took Frank across her tongue. She became a savage. When he asked if she was enjoying sucking on his cock, she could only nod “yes,” because her mouth was filled with his dick for the first of many hours.

She was open for new, carnal possibilities that she never would've dreamed about. Ass-fucking? She'd never tried it before, but it soon became her preferred method with Frank.

There is a lesson at hand, here, gentlemen: When ladies give you the cold shoulder, it might be simply that you, too, are one of the legendary men they fear to love. ♣

CELESTE STAR

CLIT-LICKING DIVA!

by Mos
Donny

A smokin' hot brunette from Cali, Celeste Star is most known for her pussy-eating prowess and solo-bang skills. Since entering the smut game in 2004, our covergirl has slapped cracks in over 150 hardcore releases in cum-splashing trysts that have earned her a slew of industry accolades including four AVN Award nominations. Celeste can most recently be seen in *Kittens and Their MILF* from 3rd Degree Entertainment.

26960

CI: You have an amazing exotic look. What is your ethnic background?

Celeste: I am Scottish on my mom's side and Hispanic on my dad's side. I'm all mutt. [laughs]

CI: Some adult stars set out to become porn stars, while others wind up in the business through chance meetings and circumstance. What was your path into the adult biz?

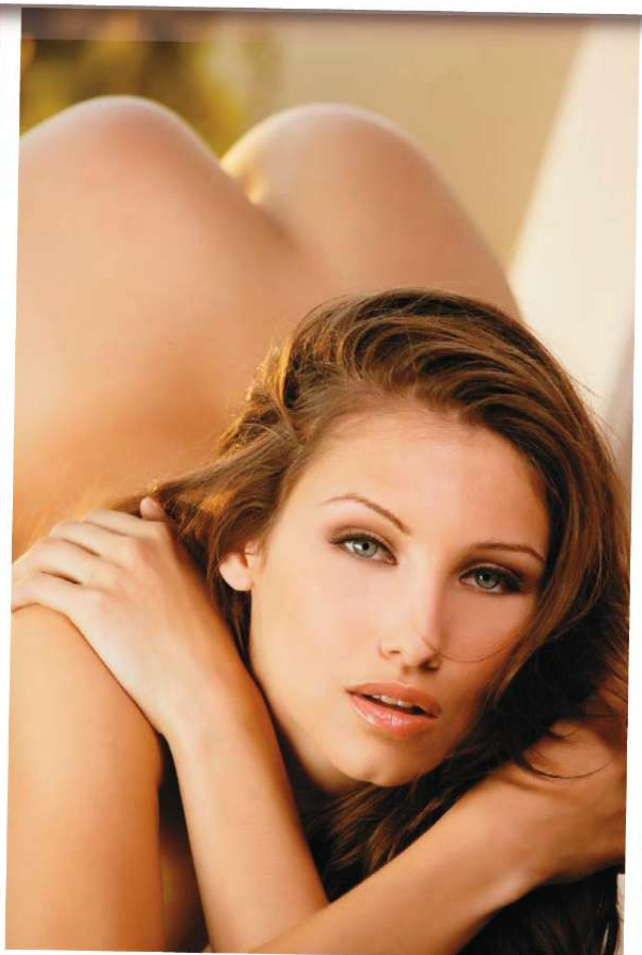

Celeste: For me, it was totally by chance. It was a matter of being at the right place at the right time and having a good head on my shoulders. I dated a guy in high school that had a cousin who was a so-called agent in the biz. He asked me if I wanted to partake, and I said "Sure, why not?" Now it's been six years and I couldn't be happier with the choice I made.

CI: You've done a lot of outdoor scenes. Do you get a little extra turned on from being naked and slapping nasties in the great outdoors?

Celeste: Actually, I'd rather be on a soft bed that I can roll around on. But I do get turned on when we are in the outdoors shooting and I start having these fantasies about getting caught having sex in public.

CI: You received an AVN Award nomination for "Best Solo Sex Scene" in back-to-back years (2007-2008). What is the secret to being a good on-camera masturbator?

Celeste: I think the key is to always be open for the camera and not hold back when reaching a climax. The more you enjoy getting yourself off, the more the audience will get into it. I've also had a lot of practice.

CI: How often do you masturbate off camera and what is your toy of choice?

Celeste: I masturbate probably three to four times a week, depending on how much I work. But, I can go for an hour or more when I masturbate, so I have to find the time. [laughs] As for my favorite toy to get me off, I have two: There's my glass toy and my vibrator. [I] can't live without my vibrator.

CI: Do you believe your superb skills at getting yourself off give you an advantage when it comes to making other girls cum?

Celeste: I think it does help, but really, every girl is different when it comes to getting off. So I try to watch their reaction when I'm doing my thing, and sometimes ask them what feels best.

CI: What girls in the industry are on your "wish list" as future co-stars?

Celeste: I would love to work with Tera Patrick. I'd also love to take on Jesse Jane again. It's been three or more years since I've tasted her, and I'd love to be able to come back for seconds.

CI: What is the hottest thing about a woman for you?

Celeste: I think a woman's back is very sexy. It's so dainty. And of course, the way they smell. I love the sweet smell of a hot girl.

CI: When you see yourself on screen, do you evaluate your work?

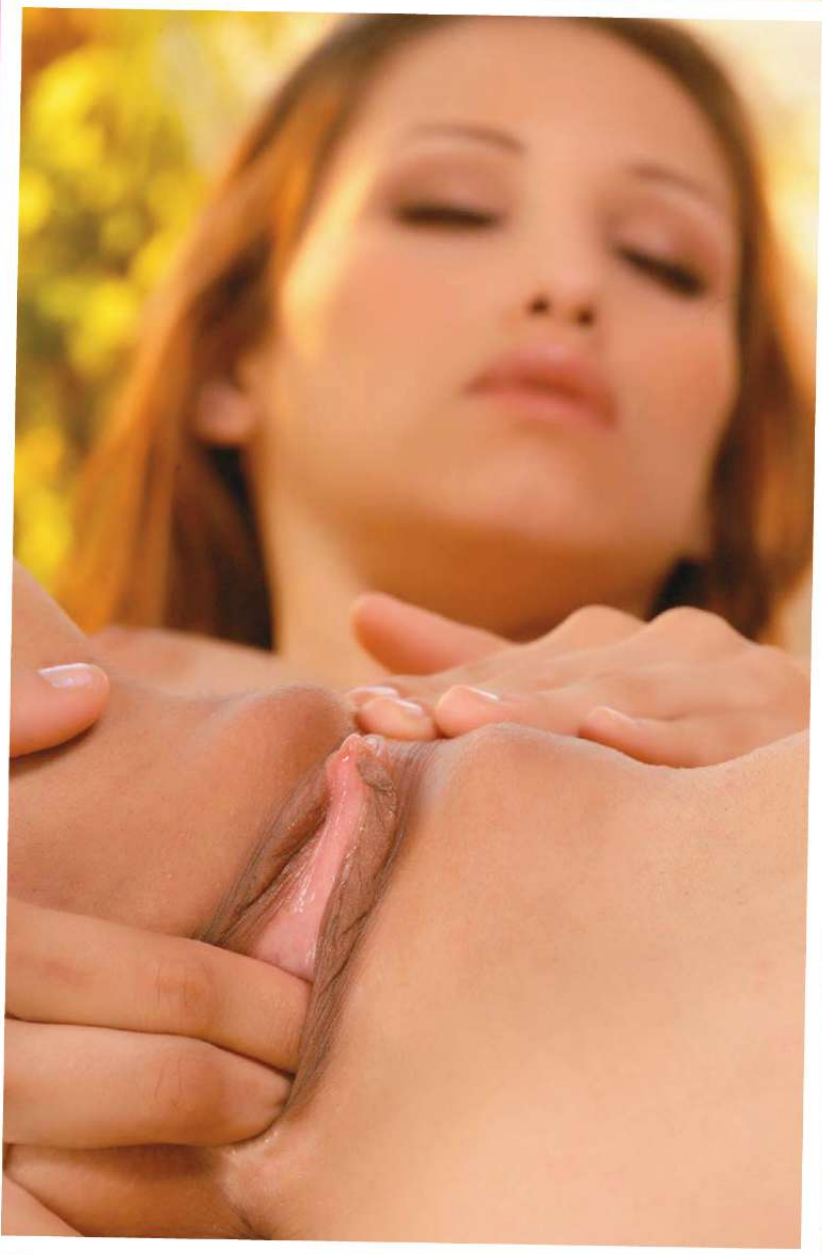

Celeste: I should probably watch myself so I can fix things, but I just can't do it. I feel so awkward. And even if I look good I pick out every little detail that's bad. So I refrain from watching anything I'm in.

CI: You've also done a number of fetish-themed movies. What sort of fetishes and role-play are you most drawn to in your life off the set?

Celeste: I love bondage fantasy. It's so kinky. I also love to be spanked.

CI: Where can fans find you online and see what you're up to?

Celeste: My fans can follow me on Twitter. I'm not good yet [since I] just started it, but it's [Twitter.com/MissCelesteStar](https://twitter.com/MissCelesteStar). ♣

Ever since she lost her virginity, Liana has kept a diary of her escapades. She figures that when she's old and gray, she'll have an exciting dirty book to read, and the heroine will be her! Of course, she keeps the book well hidden, so that her lovers never know she's immortalizing their every thrust, grunt, and squirt.

Ricardo was pretty pleased with himself, being the guy who (as Liana told him) would be introducing her to anal. Despite her experiences in other activities, she'd never got done in the butt, and he had a shit-eating grin when she said, "Ricardo, I like you. Take my butt cherry! If it actually was a cherry, I'd even let you take it home, frame it and put it on your wall!"

He got down to the serious business of preparing Liana for her back-door initiation. The smile left his face, as he became the skilled and sober mentor of derriere lust. As she sucked his cock, he played with her rosebud to get her primed, and also

told her that getting it in the ass from a man was one of the best things a female could do. And getting it that way from Ricardo...well, that was just a matter of luck that a girl could be thankful for.

Before Liana knew it, her ass was stuffed with meat. Ricardo had been right—it was amazing! She almost got so lost in the thrills that she forgot to step outside of herself, as she always did—to take mental notes for her diary. "Oh well," she thought, as he crammed her caboose back and forth. "If I don't remember the first time, I can just recall the second!" And, of course there would definitely be an encore, and it would make a sensational chapter in the notes of this naughty girl. 🍑

ON THE SET

THIS AIN'T STAR TREK XXX #2: The Butterfly Effect

Boldly going...
where many men
have gone before!

ON SET

STARRING: Kagney Linn Karter, Madison Scott, Jada Fire, Alexis Texas, Kimberly Kane, Jennifer Dark, Keni Styles, Joey Brass, Johnny Castle, Tony DeSergio, Anthony Rosano, Evan Stone

DIRECTOR: Axel Braun

AVAILABLE FROM: LFP Video

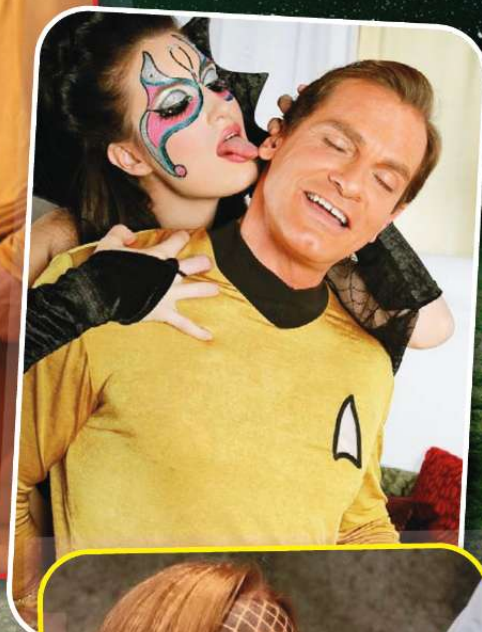

27067

Imagine an extraterrestrial world where beautiful alien creature—led by the sexual domination of a nymphomaniac queen—reign supreme. This is precisely the type of world that director extraordinaire, Axel Braun, has created for Captain Kirk and the sexy crew upon the USS Enterprise. In what is the ambitious sequel to his award-winning project in, *This Ain't Star Trek XXX #2: The Butterfly Effect*, Braun leads the set beyond the call of booty with an exciting script and even hotter displays of hardcore sex. With intelligence extraction that is coaxed out by celestial cocksuckers—with a team that can't keep their pants on—time portholes into pivotal moments of American history. This is one space odyssey you'll certainly want to explore. So buckle up, Scotty, put your helmet on, and keep your joystick firmly in your grip. You're about to journey into the depths of a sexual universe, upon which you may never return. Are you ready to be beamed up? Just say the words.

The first day of production begins right on cue with an enthusiastic group hard at work finishing the

final details of the impeccable sets upon which the saga will unfold. Braun clearly has the situation under control, and instead chooses to focus on the bustling wardrobe room that is full of sexy starlets trying on their costumes for the meticulous director. With outfits that can best be described as black and silver dental floss, Braun inspects the curves of Kagney Linn Karter and Madison Scott very carefully before sending them out for the first scene of the day. Looking over his shoulder, he smirks, "Yeah, I think these two will do."

Tony DeSergio, playing the coveted role of Spock, seems to agree, as his Vulcan cock is visibly ripping a hole through his uniform in an effort to get closer to the alien girls from the planet, Butterfly 8. In search of his fallen comrades, Tony encounters Kagney and Madison, and has no choice but to succumb to their horny demands once they lower to their knees to suck back his hose. With both mouths running over his meat like power washers, Madison locks onto the head of his cock, while Kagney greed-

ily shoves his balls to the back of her throat. With pools of saliva trailing from both mouths, Tony controls both blonde heads by plopping them over his cock one at a time. "You suck—and then you," He says, as the panties on both girls become noticeably wet.

After bending each bitch over to inspect her holes, Tony opts for fucking Kagney first in standing doggie. She locks her fingers between the bars of the jail and her mouth around Madison's picture perfect boobs. "Fuck me harder!" She coos, stretching out Madison's nipples with her teeth as Tony probes deeper.

After getting his fill of Kagney's space slit, he sprawls Madison out onto her side and goes excavating up her vaginal cavity. Kagney enjoys a little finger poking on the side, before both sets of tits are smeared with intergalactic space goo!

Meanwhile, back on the ship, Anthony Rosano is hard at work plugging up the depths of Jada Fire's anus. Perfectly positioned on his lap, Jada expertly works his stick up and down while yanking on her homegrown titties. "Come on. You've got more than that!" Jada pierces, as her screams become louder and more concentrated. Soon, the dials on the monitor are pushed down and the earplugs are passed out, as Jada pops hard from her asshole. Anthony quickly follows suit, although his big bang is interrupted when Keni Styles and Joey Brass walk in to give them the latest information about the fate of the lost crewmen.

Later in the transporter room, Anthony is hard at work trying

to beam Keni and Joey to Butterfly 8 to retrieve Spock and Bones. The only problem is that images of shoving his pecker up Jada's pussy have him all perplexed. Not paying attention, Anthony mistakenly transports Keni and Joey into the year 1962! Once the men arrive in the Oval Office, they know that things have gone horribly awry. As they sit back, Marilyn and JFK—played by Alexis Texas and Johnny Castle—stumble in intoxicated.

"Marilyn, you're the hottest piece of ass this Oval Office has ever seen!" Johnny remarks, while bending Alexis over his desk to get a good look at her bubble butt. Soon, his face is found stuck in Alexis's ass. He spreads her open with both hands and sticks his fingers up her holes before attaching his lips to her buttock. With a loud slurping sound that permeates the room, Johnny perfectly utilizes the saucy slut that's spread out underneath him. Gyrating her bum to give him the full effect, Johnny is left in a hypnotic state, although his cock is standing tall at full attention.

"Then, let me ask you: What can I do for my country?" Alexis playfully purs back as Johnny hikes down his pants and jabs his presidential penis deep inside the heart of Texas. Looking fabulous, Alexis rests her chest on the wooden desk and holds her right leg up with her arm in order to take Johnny all the way inside. "Give me all you've got, Mr. President!" She later hisses, as his aggressive style of fucking has got her all worked up.

When he's finished there, Johnny flips the glamour girl around

and continues to shove his pole up her pussy. This time, she grabs onto his tie and maintains a piercing eye contact that practically wills the splooge from his wang. With eyes locked together and a pussy that's dripping like a glass of ice water on a hot day, Johnny pulls out and glazes Alexis's tits like a donut. It's at this point, when Johnny and Alexis see Keni and Joey on the sidelines. "Mr. President, if you go to Dallas tomorrow you are going to be assassinated!" Joey pleads. Johnny makes a few phone calls and agrees to stay put for a few more days. Could this declaration from the space travelers change the course of history? You'll have to watch the final product to find out.

Finally, Anthony fixes his controls back on the USS Enterprise and successfully transports Keni and Joey out of 1962. Now, on Butterfly 8, where they should have been all along, Keni and Joey are zapped frozen by Jennifer Dark—another alien inhabitant. Unable to move or fend for themselves, Keni and Joey have no choice but to succumb to the sexual whims of this exotic creature as she inspects their crotches with her long fingernails. "These look purrfect," She pets and paws.

When the inspection is complete and she likes what she sees, Jennifer sticks out her tongue and runs it along the seam of their zippers. "It's time for your intelligence extraction," She seduces, while yanking both cocks out and smacking their heads against her tongue. Apparently, the men of the future also think with their cocks! With red lipstick rings decorating their shafts, Jennifer begins sucking their meat like a maniac. With saliva collecting between her newly enhanced rack, she grabs up Keni and slides him between her melons for a little squeeze

session. At the same time, she bops Joey's junk against her cheek, proving that the female of the species are experts in multitasking. "I'm so hungry!" She continues, as the boys melt into her hot mouth.

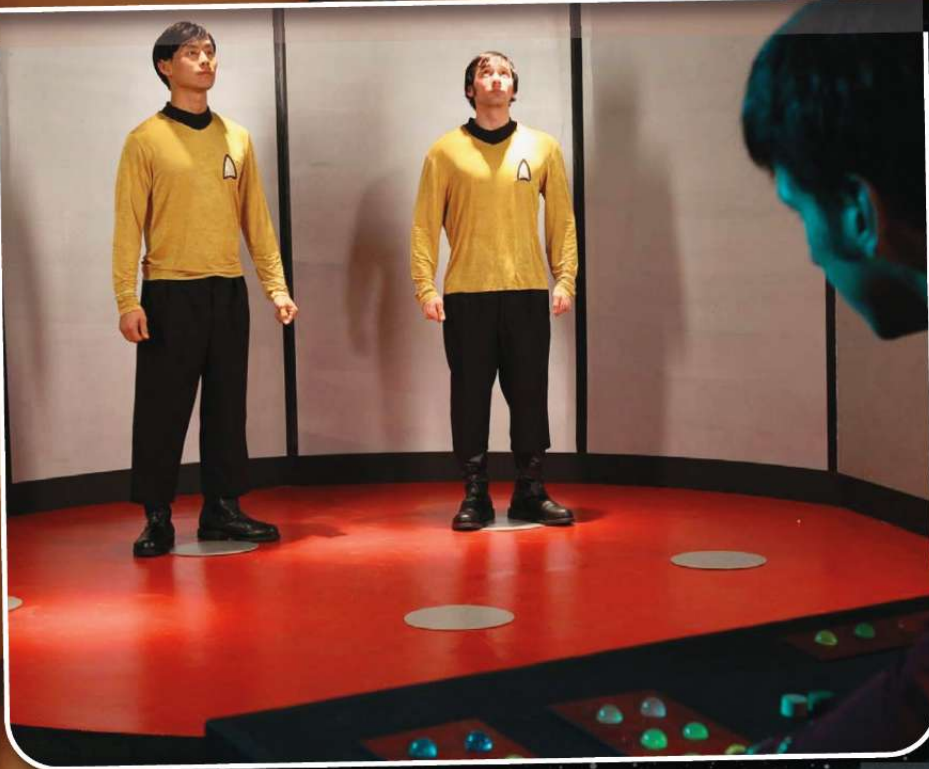

Never found again without a flank hanging from her face, Jennifer bends over and coaxes Keni into position behind her. Noticing her incredible ass, Keni gives it a few playful smacks and a little finger tickle before pulling her panties aside and going in. She spreads her legs wide and makes every attempt to throw herself back into his dick to ensure their union stays kinky. Joey, on the other hand, gives Jennifer a thorough check-up by stretching out the walls of her mouth with his pecker, before trying out her holes for himself. The results are...well... out of this world!

As Jennifer takes control of her prisoners, we find that the alien queen, Kimberly Kane, has turned Captain Kirk (Evan Stone) into the king of Butterfly 8: Taking full advantage of the situation, Evan seduces the queen with talk of world domination and destruction. Eager to experience the strong hand of her captive human, Kimberly spreads her legs wide. Pushing Evan's face between her thighs she begs, "Conquer me!" Having an ample pussy to work with, Evan chews on her meaty lips and practically ties her dangling labia into a knot like a cherry stem before sticking his royal bone in her mouth. She slurps and sucks his sword like a pro, while warming up her pussy hole with a flurry of fingers.

With a pussy that is now as wet as her slippery mouth, Evan throws her chunky boots over his shoulders and enters the queen's domain. He fucks her with such intensity that some members of the crew actually

look away, as if they've been caught spying on an actual couple in the privacy of their bedroom. "I want you every day," Kimberly cries out, leaving us unsure whether she's speaking in character or as Kimberly Kane!

The answer is quickly revealed as Braun urges Evan to fuck to pop without ever touching his cock. Evan concludes the scene in exactly this manner, which makes him the second performer, aside from Rocco Siffredi, who is able to end in such a brilliant way!

Obviously impressed with the outcome of his smashing new production, Braun applauds the work of the tireless cast and crew and bids the set adieu. The saga continues to unfold as the story and the plotlines are neatly tied up in the movie's finale. With a few more surprises that are yet to be revealed, you'll be so glad you made the trip into the great beyond. With any luck, we'll all be called upon again for another kinky round of erotic space travel! 🍀

The Write STUFF!

(continued from page 20)

option is to pay 50 dollars a week until the bill is paid off. He discussed it with his brothers and they agreed on the intimate encounter. We made arrangements to meet at a local motel the following day after they finished work. I'd gotten there early and booked a room with a king sized bed. They knocked on the door and I let them in. They were standing in front of me with their erections tenting their zippers under their oily uniforms. "Wash up boys, and get ready for some fun."

Before I knew it, there were eight calloused hands squeezing my ass and playing with my tits. They were snickering when Mike told me what they had in store for me. My twat moistened with anticipation and we had a few beers to heighten our senses. As soon as I lay on my back, the four of them flanked me and stripped off my clothes. They kissed, licked and sucked on me as eight hands hungrily searched every inch of my body.

The feeling all over me was intense. I passionately kissed each one of them while two others licked and teased my tits, practically swallowing them. There were fingers in my ass and my twat, probing my throbbing clit. I almost lost control when one of them blew in my ear. Finally, a tongue dipped into my overheated, oozing twat. I couldn't take it anymore. My thighs quivered as I exploded into another world with a massive, soaking orgasm. The guys couldn't wait much longer, either. They were pulling me into all different directions and with a faint gasping breath I cried, "Fuck me now and fuck me hard!"

In an instant, I felt one engorged cock thrusting its way into my pussy, one poking its way into my ass and one squatting its way into my mouth while I had a firm grip on the fourth. Even as I was getting reamed below, I managed to work the one in my hand while I lapped voraciously at the one in my mouth. I could feel it glide down my throat past my tonsils. I heard him groaning above me and he knew I was giving him a blowjob to remember. They all switched locations several times, fucking, sucking, and reaming like they never had it before. Ron was thrusting balls-deep in my mouth

while his nuts bounced off my nose. I worked the one-eyed serpent in my hand feeling the pre-cum greasing the way. My ass rose off the bed meeting the hard thrusts of whoever was fucking me down below. My cunt convulsed as I came again. My orgasms were getting closer together and more intense and the bed was soaked with my hot, succulent juice. I knew they could not hold out much longer, either. "My ultimate fantasy would be for the four of you to let loose at the same time," I stuttered. They worked together, holding out to

make my wish come true. I sucked and pulled while getting feverishly hammered. I could smell the sweat of hot crotches, grease, and my own love juice. A quartet of manly gasps filled the sex-polluted air as my four partners in crime began rupturing at the same time. Jeff and Mike squeezed my firm ass and thighs as they thrustured a double creampie of thick, white spunk exceeding the limits of my burning wet cavities.

Al's chunky red monster fought my grasp as it spewed a massive load of hot lava all over my face. At the same time I was gargling on Ron's white wad. I reveled in the cries of their climax as they wiped their cum-infested cocks all over my body, praising me for a performance well done.

I continued servicing my car with them, but only bartering with one of them at a time since my fantasy had become reality. All I can say is, "If you have an old car in disrepair and can't afford to keep it running, I can recommend four of the finest mechanics in the Midwest."

I am addressing this to the many women who must read your magazine. I'm sure most of you would look down your noses—just as I once did—at the thought of engaging a call boy from some stud service to take care of your sexual needs. That's the way I used to feel. But, after four years of an unhappy marriage, my husband started playing around with other women. I'd reached the ripe old age of 29, and by then he had turned his attention to the "young" tarts in his office.

I was left home alone, with my more faithful companions: A vibrator, tube of lubricating cream, some romance novels, and "female-oriented" adult DVDs. All of that changed when I met Jason. I knew him immediately for what he was—a hustler. He was a "prostitute" who sold his body to women when the price was right. Yet, when he approached me, there was something assuring and different about him. When he

crotch and felt his solid cock through the material. I was amazed by its size—long, slender, and with a nicely rounded knob at the head. It was just the kind of cock I thought I would feel very nice easing its way down my throat!

He stood back and peeled off his shirt, then shucked his trousers. When he was naked, I was startled by just how hot he was. His long, lean cock was beginning to throb with anticipation, as it stood straight up against his belly.

Jason helped me out of my dress and took off my bra. He smiled at the sight of my nice-sized tits. He fondled them and watched them sway. When I stepped out of my panties, he began to delicately finger my snatch. His eyes grew big when he felt my extreme dampness. I told him I wanted zero amount of foreplay—I'd been sex-starved for months; I was more than eager to accept his dick at once!

With that, I reclined in the nearest chair, dangled my legs

"I told him I wanted zero amount of foreplay—I'd been sex-starved for months!"

began talking to me that day downtown, I didn't turn off to him the way I would any ordinary stranger.

Maybe it was his warm eyes, his receptive manner, or just his age—21—but when he asked me to take him to a hotel, I accepted. After all, it would be my first sexual contact with a real live male in months. My husband was out messing around anyway, so it was my turn to have a little pleasure.

Jason was truly special. He was at that magical age when he was not quite a man, but certainly no longer a boy. Once inside the hotel room, he held me close and was silent. His mouth found mine. His kiss was warm, sweet and very urgent. He pressed himself against me so that I could feel the rampant hunk of meat bulging in his pants. I put my hand to his

out over its arms, and hungrily watched my young lover advance while constantly stroking that enticing long pole of his. He positioned himself, and suddenly, he was in me—not all at once—just the giant head at first—teasingly stretching my pussy lips out of its natural shape.

He kept inching that incredible rod into me, moaning softly when he first felt the warm love-oil that had been quietly flowing in my fuck canal. What sensations! The stud's lovely cock continued to slither deeper, like an advancing serpent. Then, at last, there was a meeting of our pelvic bones and I knew that I had taken the total length of him. I felt a tremendous release. I knew that once I had his whole dick in me, I could take anything that surging

26345

pecker could do to me.

Then he went to work, using long, even strokes on me. My arms and legs encircled him, pulling him even deeper. I heard myself screaming, as if from far away. My palpitating cunny surged with electrical blue sparks of ecstasy, causing me to sail over the edge of reality and into a rapturous fantasy world of unbearable orgasm. I held my breath and felt my pussy squeezing that massive invader lodged between my legs. Suddenly, Jason exploded in me, and I was filled with a spurting volcano that poured from his fast-slaming fire hose of a cock!

We shortly moved to the bed as the action was far from being over. Jason was on his back, and I sat on his loins, sliding that long prober of his once again into my love-oven. I ground the base of his manhood against my clit in a way that had me cumming again in a procession of intense seizures, my ravenous gash claspings at Jason while I flailed atop him gasping for air. His gusher exploded again, too, filling my insides with his hot love potion.

Afterward, we lay

entwined for quite some time on that hotel bed and talked. I told him I wanted to make him my regular lover and that I would "provide" for his services. And that is how it to this day: I take care of him—and he takes care of me!

Since then, Jason and I have lived out many fantasies together. Just last month, he guided me through my first lesbian encounter. Of course, he was in the middle of all the action. I was on top of a hot blonde in a sixty-nine scene, eating her out, and she was tongue-reaming my pussy. Jason slid into me, and it was a wild fuck. I kept eating the girl's delicious pussy, and when I came, I drenched her face with my soaking wet spray. And we each had a series of mutual orgasms!

It's not every woman who can afford a "kept" man, but there's always some way to get a lover on the side. If your sex life is drab—or non-existent—you might give some serious consideration to finding your own paramour!

It's odd that when people talk about busting cherries, they are generally speaking of women, even though virgins are of both sexes. When a certain young 19-year-old freshman named Eric came into my office, I knew he still had his cherry. And it was a cherry this 35-year-old cougar intended to have!

I'm one of several women who work in the reference library of our university's East Asia department. Eric's studies had to do with sexual roles and mores in the Far East. His reluctant manner in addressing these issues to me—a woman—turned me on immensely. I lied and told him I couldn't obtain the material he needed until late that afternoon, and that he should return to my office at closing time.

By 5:30, the rest of the staff had gone home, leaving shy, young Eric and I alone. But, the Asian

books and artwork I showed him proved there was nothing shy about his rampant manhood. Some Japanese art prints are intimate works of erotica, and the one I showed Eric produced a visible erection in his pants.

When I stood up and peeled up my dress, I thought his eyes would pop out of his skull. I reached behind my back and unsnapped my bra, setting my perfectly rounded 34D-tits free. When I next stepped out of my tiny black strip of panties, I feared the poor boy would pass out in my office. His face—which already had a rubicund color to it—now assumed the tint of heliotrope. He appeared to be having some difficulty breathing, but he didn't break and run.

I moved behind Eric's chair and massaged his shoulders to relax him. Soon, my fingers played

DIRTY WORDS

through his unruly brown hair and I gently pulled his head back to rest in the cleft between my buoyant boobs. I noticed a small, but spreading stain in his lap. He had already creamed his jeans! This called for emergency measures. I turned out the lights to make him feel more comfortable. Then I helped him stand up, holding him very close against my naked body.

He let me unbutton his shirt and remove it. His physique was astonishing—very firm and much more muscular than could be detected through his clothing. Between his powerful thighs hung a lovely cock of fine size and proportion. His first ejaculation had obviously not diminished his staying power. I knelt before my disbelieving lover and eagerly took his manhood into my mouth. His cock felt

of the way into my boiling box. Already balanced on the brink, I sailed over the edge of reality into a gut-wrenchingly incredible climax!

The electrified lips of my cunt gripped the base of Eric's prick and held him in me with frantic desperation. The urgent surging of his invading cock told of his own state of arousal. I knew he was near another orgasm. In silence, Eric rode me. I looked down to watch his powerful young prick travel its entire length and glide back out, glistening with my sweet, velvety juices.

Ultimately, the moaning started and I knew Eric was about to cum. I felt his meat contract urgently, and he began desperately pushing his ramrod in and out as hard and deep as he could. When his cock let loose with a jet-

"His cock felt full and warm as I took it to the hilt down my throat!"

full and warm as I took it to the hilt down my throat. It was possible to measure his heartbeat by the counts of his rigid rod against my windpipe. I sucked for a while until he was quite hard and eager to climb between my legs.

"I'm the first woman to have you, isn't that right?"

"Yeah, I guess so," He murmured with some reluctance.

His hand moved between our bodies and found the splay between my legs. Two of his probing fingers entered me, and I think he was astonished to find how wet I was. To encourage him, I curled my fingers around his fuck-stick and guided him to the target zone. I rubbed the big, mushroomed head up and down the soaked, pouting lips of my vagina, letting it work against my inflamed clit.

Eric advanced his hips an inch or so, and his bulbous dickhead parted my quim and slipped inside. I placed my hands on his tight asscheeks and pulled him to me, letting that pulsing lance slide the rest

spray of hot male semen, I surrendered to a series of my own rapid-fire orgasms, moaning and rump-thumping the desk as I came and came...

Afterward, we lay together for a long time, his face buried in the valley between my mountainous breasts.

Occasionally, he licked the turgid purple nipples—which seemed to arouse him anew. Let's just say the second time was the charm my "student" seemed to have learned quite a lot in a very short span! By this time, I was all flushed and unsettled. As for Eric, he was seated in a chair, smiling. My nervous, little cherry of an hour ago was fully composed—much more than I.

That was a couple of months ago. Eric has been my steady lover ever since, and I must say, he has managed to teach me a few things. Finals are coming up next week, and I'm going to help Eric "cram" like crazy!

LEZ LIFE EXPERIENCE

You haven't really lived until you've worked as a clerk-typist in an insurance company. When they first hire you, they make you feel nice and important. But before long, they pile up your desk with documents to be typed until you can't see over the top anymore. Then, when your paycheck comes two weeks later, it's so small that after you pay the rent, there's not much left for anything else. Your parents keep telling you they want to see you do well, but, if you're just out of high school—not the student-type who wants

to pursue college—a job typing is about all you can get—no matter how pretty you are.

When I got out of high school in a small Texas community, I convinced my parents to let me go work in Dallas, where our family had relatives. I began staying at my aunt's house shortly after and I was seeking jobs with the help of newspapers, online, and combing through the help wanted ads—but a couple of weeks later, I still was jobless. Finally, an insurance company hired me.

After three or four months of

monotonous typing, I began to feel discouraged and restless. I was also really lonely for companionship. Little by little, I made the acquaintance of a woman named Johnnie who worked in the same building where my company was located. She was about ten years older than me, and very pretty. She dressed in a smart manner and walked in a vigorous, attractive way. Johnnie seemed to be interested in who I was, so I opened up to her. She seemed so strong, too—not only emotionally, but physically strong as well.

One night after work, I met Johnnie at the bus stop outside

our building. She invited me to her house for dinner and I accepted. It only took about half-hour to get to her place. It looked none too clean, but I guess she didn't have a lot of time for housekeeping being the busy business-woman that she is. She disappeared into the bathroom, came out, and said she was going into her bedroom to "get more comfortable." When she stepped out, she was wearing nothing but a house robe and slippers.

"My, I bet we are both so hungry by now," She remarked, coming over to me, not looking as if she had any intention of going toward the kitchen. Then,

before I could comprehend what was going on, she swiftly reached out, took my head in her hands, lurched her own face up to mine, and kissed me on the lips! When I tried to pull away, she gripped my head and tongued inside my mouth—deeply—from side to side. Then she let go, allowing me to step back and catch my breath.

"Johnnie!" I exclaimed.

"What—"

"Didn't you like it?" She asked. I didn't answer, but I had to admit it was a somewhat of a sweet sensation. At that moment, she let the robe drop to the floor and firmly put her arms around

cups up, then licked my nipples. She was very tender, and when she prodded, I decided to let her lead me a few yards into her bedroom.

Once on my back on the bed, Johnnie was all over me like a tigress. She gobbled up my pubic area with her lips, teeth, and long tongue. She concentrated on stroking and laving the innards of my pussy with her agile tongue. It was an exquisitely sweet experience that soon caught me in its incredible ebb and flow. Before long, I gurgled—twisting and writhing my rear end in contact with Johnnie's chin—as my insides rippled with orgasm from the entrance of my box to the tip

me. Her bare, small breasts felt strange and deceptively vulnerable against the fabric of my dress.

"You're a lesbian," I stammered, looking at her nipples as she began unbuttoning my dress.

"It can't do you any harm," She retorted, breathing heavily. "It's only a little diversion before we eat, sleep, then go back to work again."

I might be from a small town, but I'm not stupid. I'd read a lot about bisexuality. After all, it's the 21st Century, and I'm a vibrant, young woman. What could be so wrong? I reasoned, as Johnnie succeeded in pulling my dress off. "What was so bad?" I thought. I felt her grab between my legs and slide her fingers underneath my panties. She pulled me toward her, got a finger inside my opening and thrust inward. My arms developed goose bumps as her fingernails curled against my insides.

The electric sensation caused me to arch my back. Johnnie let go of my vagina and lifted my bra

of my abdomen!

Next, Johnnie rolled me over on my back, bounded up like a panther and straddled my head on both sides with her knees while stimulating her genitals against my nose. I could hear Johnnie whining as she rubbed herself against my nose. I was overwhelmed from the musky odor and I was conscious of the sweet taste of her vaginal fluid all over my face as she rubbed against me harder and more rapidly. Her thighs pressed against my ears and she sat on my neck and upper chest, shuddering and making sounds like, "Ooah! Aah!"

Afterward, she cooked me dinner and allowed me to spend the night. I've been back to see Johnnie many times since. I'm sure I'll eventually break away from Johnnie to enjoy the feeling of a good, strong penis, but for now, I'm quite satisfied. I'm not making it very far on my salary, but it sure is fun "Making It" with Johnnie!

WISCRACKS HIS WAY INTO HER PANTS

Dear Club International,

I was waiting on line at the bank and feeling pretty glum. Working as an actress is hard in this recession, and I lost my waitressing job. I was shifting money from my rapidly dwindling savings account to my checking so that I could pay my bills. I guess the cute guy behind me picked up on my mood, because he started making remarks about how slow the bank line was and how come all the government stimulus money didn't speed up the tellers? "So, really, how stimulating was the stimulus?" He cracked. I'd seen this guy before and he looked pretty good. It turned out his name was Jerry and he ran a discount clothing shop downtown that I had been to many times. He actually lived further uptown though, and that's why he was at this bank.

I didn't have much going on that day, and when he asked me to join him for a cup of coffee, I said yes. In no time we were on our second cappuccinos and my problems were starting to seem a little smaller. He really had a funny way of looking at the world. Come to think of it, he should have had his own cable show. Well, they say laughter is the best medicine, right? Not only that, but it's a great aphrodisiac.

When Jerry invited me over to his apartment for lunch, I knew what was going on in his head. But that was okay. We'd spent about three hours chatting in the coffee

shop and had gotten to know each other somewhat. We began making a salad in his kitchen, but I didn't wait for him to make a move. My mind was starting to go back to all my money worries, and I wanted to distract myself. Soon, Jerry and I were kissing like mad and the lettuce was forgotten. He surprised me too, by scooping me up and carrying me into his bedroom! He laid me down on the bed, but I was feeling frisky. I pulled off my clothes quickly and so did he when he saw my enthusiasm. I have really nice breasts, and soon Jerry's hands were all over them. His lips felt good as he sucked my nipples and his hand played with my pussy. I got wet really fast and I pushed him down to lick me for a while. He did it really well and I came suddenly on his tongue. He cracked a couple of jokes about letting his cock catch up to my pussy, so I put him on his back and began to suck him. He had really sexy balls, too. I don't exactly why, but they turned me on with how tight they got, so I licked his sac while I jacked his dick in my hand. Then, I put him back in my mouth and sucked him so hard and deep that he exploded all over himself in about five minutes flat.

It wasn't a problem, though. We were still really horny for each other. We stayed naked on that bed, kissing and stroking, and then Jerry got hard again and I climbed on top. My difficult financial problems were a mil-

lion miles away as I moved up and down on his prick and played with my nipples at the same time. Jerry just lay there and he felt like he was getting harder and harder as I rode him with my pussy. Then, I leaned down and kissed him and told him to pull his cock out and put it in my ass instead. He looked at me really wide-eyed then winked and got ready for the shift. I spit on my fingers and lubed up my rosebud and helped Jerry fit himself inside my ass. Then I began to ride his cock with my ass—cowgirl-style. It takes a lot for me to put my problems on the back burner, you see! Sometimes it takes a good and sudden ass fuck with a virtual stranger.

The bedroom was filled with the smell of our sweat and pleasure as I rode that dick faster and faster, slapping my own ass as I did. Finally, Jerry began to groan and I told him to shoot it in my pucker. Maybe that was crazy, but I was in the mood for something really nasty. As I felt him throbbing inside me and spitting out that dirty cream, all I had to do was stroke my clit a few times and I exploded, too! I came like a maniac on top of him, and I'm sure if any of his neighbors were at home while we were fucking, they wondered what the hell was going on.

Well, about three in the afternoon, we finally got back to that salad!

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

PERFECT FOR WANKIE GAMES!

I've told you regular readers about my occasional bed-buddy, Brick. Well, even though we usually fuck up a storm, sometimes we simply like to watch each other masturbate—or "wank"—as I like to call it sometimes, like my Brit friends do. I don't know why, but it's very sexy to show-off that way. Recently, I had a mischievous little idea: I gave Brick one of these Sizuru Compact Ribbed Masturbators, and told him to stick his cock in it while he stared at the sexy anime character on the box! Brick was a little reluctant at first, but I told him he had never shown me what he looks like when he's wanking to pictures, only when he's wanking and looking at me! Always trying to please his sometimes-demanding Ivy (I know I can be persuasive), he stroked his cock to maximum hardness and crammed it inside this soft, stretchy masturbator that is made of unscented TPR material. It didn't take long, but once I started whispering in his ear about what it would be like to watch him fucking one of these anime girls while I licked his balls, he was soon shooting his stuff deep inside the masturbator's terrific suction chamber. Does it sound like somebody you know might enjoy some quality time with this? Look for it in the New Products section of www.calexotics.com!

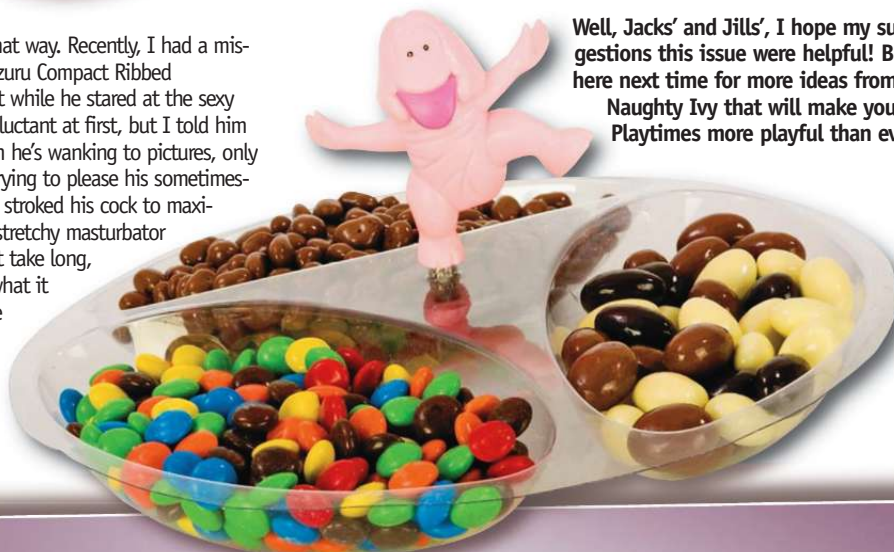

MASKS OF LUST!

As a female porn writer, I sometimes dress myself up to get in the mood for doing my work—my freelance work, that is—the dirty stories I write at home for extra money, not in the office in front of everybody else! I've come up with some masterpieces when wearing this—the Showgirl Hide and Seek Black Sequined Panty, Mask, and Choker. It also comes in glittery pink, but I like the mysterious and moody black. I'll sit my butt down at the computer wearing only these revealing items, and then I will come up with some of my very best cock-stiffening tales! The panty makes me feel so bare against the chair, the choker makes me feel so sophisticated (but also, umm, submissive in a sexy way), and the mask? Well, because I can't see anything through it, I can visualize all sorts of naughty scenes for my stories. The mask acts like a movie screen for my out-of-control fantasies! Give it to your favorite girl and see how it affects her. It's also fun when my bed-buddy, Brick, is over and I'm wearing this and I can't see his cock as he moves closer and slips it between my lips! The possibilities are many with this cute item made of polyester and cotton, so check it out in the Sensual Attire section of www.calexotics.com.

MIRTHFUL MEAT!

The next time you want to get a chuckle out of a girlfriend, why not serve her candies in a Let's Party Happy Penis Snack Tray? You know, laughter is very sexy, and I was introduced this by Brick, my bed-buddy! We were about to watch a DVD in his living room, (and you know how an occasion like that demands snacks); and when Brick came back from the kitchen with a bunch of sweets arranged neatly around a dancing penis, well, after I finished laughing, I gave him a reward that pushed ahead the starting time of our movie by about thirty minutes! (Yes, Brick can actually hold out that long when I'm blowing him, despite all my mad skills!) So if you're looking to entertain somebody—or even if you just want to brighten up your own assortment of confections—get yourself one of these three-compartments trays with the dancing penis from the Gags, Gifts and Party Favors section at www.calexotics.com!

Well, Jacks' and Jills', I hope my suggestions this issue were helpful! Be here next time for more ideas from Naughty Ivy that will make your Playtimes more playful than ever!

WHIMS OF THE VIXEN

Tara is beautiful in her capacity to be cruel!

Few women have the ability to wear shoes such as the style Tara displays here. At the store where she bought them—with her haughty eyes, arched brows, and mouth painted in the lipstick known as “Cruelty”—she first had to fill out a Vixen Questionnaire to let the exclusive emporium know that she was fully qualified to wear these heels. Sometimes, women only pretending to be vixens try to snag a pair. When exposed in their charade, they are thoroughly scolded and sent on their way.

Once it was established to the retailers’ satisfaction that Tara was not only tattooed, but also had her nipples pierced—was evidence enough that she was capable of behaviors that would make reality show villainesses look tame by comparison. At that point, she was allowed into the innermost sanctum—the Hellish Stiletto Salon—where she got to try on the most audacious of styles. The store was, of course, happy to know that Tara was not going to be paying for the shoes herself, but rather with the credit card of a susceptible tycoon with whom she had convinced of her fierce sexual appetite.

A blonde woman with long, wavy hair is posing on a set of stairs. She is wearing a black and red lace lingerie set, including a corset-style top and matching bottoms. She is holding a black strap that runs down the front of her outfit. She has a small tattoo on her left upper arm. In the top right corner, there is a black box with a yellow border containing the text 'clubxcell' and 'GET US ON YOUR CELLPHONE AT CLUBXCELL.COM'. On the right side, there is a small inset photo showing a close-up of a person's legs in black stockings.

As she modeled the shoes to her satisfaction in front of a mirror as well as a dominant female sales assistant, Tara explained that she would not break the illusion of her fidelity and that there was no useful reason to cut off the flow of the tycoon's funds for her spiteful woman ways.

Indeed, Tara intends to go on posing for sex magazines right under the tycoon's nose even as she lives in his elegant mansion, continuing to show-off her vibrator-stuffed vixen valley for all the world to see. For a true minx will never change herself to please even the richest of men! ♦
